All set for another sizzler!

TODAY'S meeting is the third of the season for the Old Firm—and if it lives up to the standard of the previous two then the fans will get full value for money.

First of all there was a fantastic Drybrough Cup Final at Hampden at the start of the term—a game which finished 2-2 after extra time and went to a penalty play-off.

Celtic pulled the spot kick victory, netting four penalties to Rangers' two.

Nearly 60,000 watched the tie and they couldn't have asked for much more in the way of excitement. It was 1-1 at half-time, with Steve Murray getting the opener for Celtic in 30 minutes and Ally Scott levelling the game eight minutes later. It was still level at the end of 90 minutes, but then three minutes into extra time Paul Wilson put Celtic ahead.

Back came Rangers with a Derek Parlane equaliser and that brought on the penalty 'roulette'.

Although Bobby Lennox missed Celtic's first penalty Rangers too had off-target men in Derek Parlane and Tommy McLean and although Sandy Jardine and Graham Fyfe did

score Celtic had spot-kicks from Tommy Callaghan, Pat McCluskey, Steve Murray and Jimmy Johnstone to see them through.

In the League match at Parkhead on September 14, Rangers were not fancied. But that's just the kind of situation which brings out the fighting spirit and the Light Blues brought off a 2-1 win.

Again there was tremendous excitement—although the game was marred by two ordering-offs—firstly Jim Brogan of Celtic then Derek Parlane.

It was a fast, furious match. Kenny Dalglish gave Celtic the lead in 32 minutes, but after the break young Ian McDougall—playing in his first Old Firm game—came through to slam in the equaliser. He also hit the post soon after.

And the Rangers fans were dancing happily in the 75th minute when big Colin Jackson came up for a corner and bulleted in a great header for the winner.

● **Danny McGrain clears a Derek Johnstone header off the line in the Rangers-Celtic match at Parkhead earlier in the season.**

Two exciting games in the Old Firm tradition, laced with goals, thrills and incident.

Today's meeting is the 156th League game between the clubs. Rangers hold the winning edge—with 65 victories. Celtic have won 44 times and 46 games have been drawn.

Rangers have scored 239 goals in the process—Celtic have netted 205.

Celtic, of course, have been laden with success in recent years and are current holders of all three major Scottish trophies plus the Drybrough Cup.

Like Rangers, they prefer to raise their own home-bred talent. But they are not slow to step into the transfer market either.

Indeed, on the books at Parkhead right now are players who have cost the club a total of well over £300,000—Ronnie Glavin (Partick Thistle), Steve Murray (Aberdeen), Jimmy Bone (Sheffield Utd.), Dennis Connaghan (St. Mirren), Harry Hood (Clyde), Alistair Hunter (Kilmarnock), Tommy Callaghan (Dunfermline), Dixie Deans (Motherwell), Andy Lynch (Hearts).

THE MEN WE FACE TODAY...

... continued

★ Goalkeeper **ALISTAIR HUNTER**. 5ft 11in, 11st 7lbs. International goalkeeper who was signed for £40,000 from Kilmarnock a couple of seasons ago. Very talented keeper who lost form for a spell towards the end of last season and struggled a bit at the start of this term. But now he is back to his best.

★ Goalkeeper **DENIS CONNAGHAN**. 5ft 11in, 11st 6lbs. £20,000 signing from St. Mirren in 1971, he has had spells as first-choice keeper but never quite held on to the position. Shared the No. 1 spot with Alistair Hunter this season for a time, but has dropped out at the moment.

★ Full back **DANNY McGRAIN**. 5ft 9in, 10st 12lbs. Ex-Maryhill junior who was signed in 1967 and in the past few years has developed into a World class full back. Plays either right or left, and likes to come through on the over-lap. Suffered a slight form lapse at the start of this season after the World Cup games for Scotland in Germany, but has found his form again.

★ Full-back **PAT McCLUSKEY**. 5ft 9in, 11st 3lbs. Another ex-Maryhill junior who joined Celts in 1970. Can play in most defensive positions, and also in midfield. Sturdy, strong and deceptively fast. Under-23 cap.

★ Wing-half **STEVE MURRAY**. 5ft 8in, 11st. Cost £50,000 from Aberdeen last year. Quick-moving, quick-thinking midfielder man who works for 90 minutes. Covers a lot of ground in defence and attack, grabbing plenty of goals in the process. Off the field he likes to draw and paint.

★ Centre half **BILLY McNEILL**. 6ft 1in, 12st. It's nearly 18 years now since he was signed from Blantyre Vics after playing in a school-boy international at Parkhead. Has won the lot with Celtic—every honour in the game at club and international level, and still going strong. Celts played Liverpool in a testimonial game for McNeill at the start of the season.

★ Wing-half **GEORGE CONNELLY**. 6ft 1in,

11st 7lbs. Talented, if temperamental, international sweeper. Reads the game brilliantly, and can set attacks going from deep in his own half with long-range accurate passes. Has been at Parkhead since he was a school-boy, almost 10 years now.

★ Defender **JIM BROGAN**. 5ft 7½in, 11st 7lbs. Versatile long-service man who has won international honours. Signed in 1962 from St. Rochs, and has turned out in a variety of positions for Celtic.

★ Winger **JIMMY JOHNSTONE**. 5ft 4in, 10st 7lbs. Small, red-haired forward with wonderful close control and the knack of getting a few valuable goals as well. Was in Scotland's World Cup pool, but didn't play in Germany. Has been 14 years at Parkhead now. Can be a match-winner on form.

★ Midfield man **RONNIE GLAVIN**. 5ft 9½in, 10st 11lbs. An £80,000 buy from Partick Thistle a few weeks ago. Strong, aggressive player but has naturally still to settle. This will be his Old Firm baptism. Was six years at Firhill, winning Under-23 recognition.

★ Striker **KENNY DALGLISH**. 5ft 9in, 10st 10lbs. Brilliant young player who has only recently found form again after a few months out of touch. Signed from Cumbernauld Juniors in 1967, he is a player who likes to be involved every minute of a game. Will graft with the defence, then whip upfield to join an attack. Scored a great hat-trick against Dundee at Dens Park last month. World Cup man with many honours.

★ Forward **HARRY HOOD**. 5ft 9in, 11st. A £35,000 signing from Clyde in 1969. Skilful, ball-playing type who can perform in midfield, on the wing or as a striker. Had a spell in England with Sunderland before returning to his original club Clyde.

★ Winger **PAUL WILSON**. 5ft 6½in, 11st. Joined up from Maryhill in 1966, but only in the past year has established himself as a first-team man. Indeed, he hasn't missed a game so far and has been banging in plenty of goals.

★ Striker **DIXIE DEANS**. 5ft 8in, 11st. Bought from Motherwell for £25,000 in 1971 and has been a valuable addition to the Parkhead pool over the years. Not big, but strong in the air and has dazzling spells of goal-scoring—then shades off. Won international recognition for the first time this season with caps against East Germany and Spain.

Also standing by will be long-service man Bobby Lennox, now in his 15th year at Parkhead but still going strong, and big Tommy Callaghan, a versatile player signed for £35,000 from Dunfermline in 1968.

SAME AGAIN, SANDY

RANGERS international full-back Sandy Jardine always has a special reason for 'ringing in the New Year'... December 31 happens to be his birthday.

So the start of every year really is a new beginning for Sandy. And as far as he is concerned, 1975 has every chance of being as good as the 1974 vintage—which is saying something.

Last year brought the talented Ibrox man recognition for being what everyone at the club already knew—a World class footballer.

His performances for Rangers week in week out were matched by those given for Scotland in the Home Internationals, World Cup qualifying games and in the World Cup in Germany.

Many people, particularly south of the border, expressed interest and surprise. But,

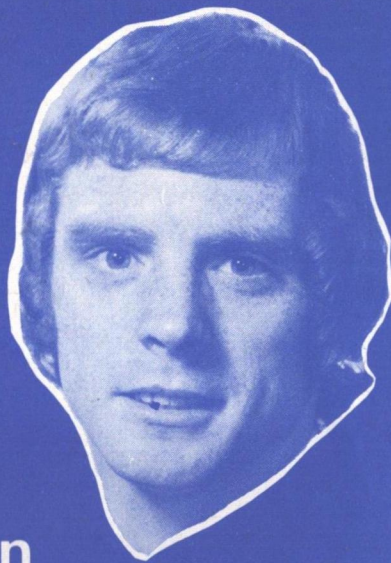

really, the only surprising thing was the lack of knowledge shown by them in the first place.

On top of his tremendous consistency week in week out, Sandy has started to add a welcome 'bonus' for Rangers... goals. He is at the top of the scoring charts—one goal ahead of Derek Parlane, and by the looks of things, there are more to come.

Now all Sandy wants is for Rangers to carry on to a League championship win, throw in the Scottish Cup as well and for Scotland to recover from the bad start in the European Nations to battle through to the next stage.

A fine trio of birthday wishes. Sandy was 26 on Tuesday—Match Magazine sends belated birthday greetings on behalf of all the fans.

FACE to FACE

Today

Bobby McKean

"I RECKON that after today I'll really know what it means to be a Rangers player." That's Bobby McKean speaking Rangers' £60,000 signing from St. Mirren in September regards his Old Firm baptism today as one of the most important events of his life.

"I've only seen a couple of Old Firm games in the past, and they were tremendously exciting," says Bobby.

"I keep asking the lads what it is like to play in and they just say 'wait and see'. Apparently it's like nothing else. I just hope it works out well for both myslef and the club."

The 22-year-old midfield man—his birthday was on December 8—started his Ibrox career with a string of fine performances.

"Of course, I came in at a good time when the team was playing

well and this helps" says Bobby. "So I've found the transition not as difficult as expected.

"The hardest thing has been adjusting to the full-time training. It can be murder, but I'm enjoying it."

Bobby sees his role in the team as that of 'work-horse', foraging deep to move the ball on to the attack—particularly wee Tommy McLean—who can then use his deadly accurate crosses.

But this former maintenance fitter in a Glasgow carpet factory is much more than just a grafter. His ability to take the ball, hold it for long runs and draw opposition to him helps give the defence a break when the pressure is on at times.

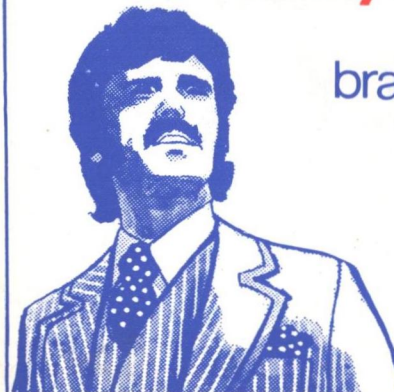

It's a selfless role, sometimes unspectacular. But his worth is appreciated by everyone at Ibrox.

HEADS YOU WIN!

● It's our popular 'Heads You Win' feature. This is the chance for every fan at a home game to win free Stand seats... if our photographer puts them in the picture! So study the pics on this page. The all-in Cup draw

THE DRAW for the third round of the Scottish Cup—the first 'all-in' round which gives the small clubs who have battled through the preliminary ties a chance to take on the big teams—will be made at the S.F.A. headquarters in Glasgow on Monday.

In the midst of the gruelling, week-in, week-out slog of the League championship the Cup can offer a welcome change of style and pace for both players and fans.

Rangers are looking forward to the tie—due on January 25—no matter what the draw may bring.

Don't let the side down...

A TROUBLE-FREE start to 1975—that's what Rangers Football Club wants today.

Let there be none of the terracing problems which have plagued Old Firm matches in the past. The record at Ibrox is excellent, and has been for some considerable time. Let it remain that way.

Rangers ask all their fans to do nothing which will jeopardise the safety of others, or the good name of the club. Incidents are a disservice to both Rangers and Scottish football.

And the good conduct should be carried through after the game as well. Rangers ask all fans to follow the 10-point Ibrox Code of Conduct:

CODE OF CONDUCT

1. Ban the carrying of alcohol on buses.
2. Ban members from taking alcohol into the stadium.
3. Ban the singing of provocative songs in buses and on terracings.
4. Ban the use of obscene language.
5. Have the greatest respect for residents in the vicinity of football grounds. Do not be a public nuisance.
6. Put an end to members urinating at the road-side when travelling.
7. Set a good example to the youngsters who are travelling.
8. Impress on youth the importance of good behaviour.
9. Have respect for women who attend matches.
10. Notify Ibrox Stadium of any sign of hooliganism both home and away, giving report and details.

SAFETY is also vital in a match like today where there is such a big crowd. To make sure that everyone leaves the ground with the maximum of comfort and safety, please follow this procedure:

1. Take your time leaving the stadium.
2. If you see that the passages or stairways are becoming jammed—hold back. You will only be delayed for a few moments.
3. Help any youngster, old person—anyone in fact—if you think they are having difficulty.
4. Be particularly careful on exit stairs and avoid jostling as much as possible.
5. Abide by Stewards' and Police instructions.

Ibrox colts set pace

THE CHASE for the Reserve League Championship is going just fine for the Ibrox colts—they are setting the pace again with only Aberdeen looking a real threat.

And still to come are the Reserve League Cup Final—Rangers will meet either Dundee United or Hearts—and the Second Eleven Cup.

"I don't know when we will be playing the Reserve League Cup Final" says coach Joe Mason. "It will probably be well into the Spring.

"The trouble is that with the heavy grounds coming now teams are naturally careful with their pitches.

"Dundee United and Hearts haven't played the first leg of their semi-final yet. So it could be April or May before the home and away final."

However, coming up soon should be the next round of the Second Eleven Cup.

"We've been drawn against Motherwell at Ibrox and will probably play sometime this month" says coach Mason.

"If we get through, we will meet either Dundee or Hamilton in the next round."

So all that's to come. Mean-time over the holiday period the Colts will face up to Old Firm rivals, Celtic Reserves. And the memory of the last meeting, back in September, is still painfully fresh for the Light Blues... they were beaten 6-1.

"It was a disastrous day"

Quiz Answers

1 Ten. 2 Rangers lead 5-4 (the Cup was withheld in 1909 after two drawn matches and a riot). 3 There have been four replayed finals. 4 Doug Houston (now with Dundee United). 5 Five times (2 League, 3 League Cup). 6 Olympiakes of Greece. 7 Bertie Auld (Partick Thistle, Willie Fernie (Kilmarnock) and Jock Stein. 8 Yoker Athletic. 9 Johnstone Burgh. 10 Poland.

says coach Mason. "Yet in a way it helped us—it jolted the side out of a poor start to the season.

"In fact, we haven't looked back since. We haven't lost a game, indeed we've won everything apart from one drawn match.

"So that Celtic result had its benefits. But we would rather do without the defeat, and it's our aim to try to put the record right this time.

"What we have to remember of course is that we have quite a young team. This can mean a touch of inconsistency at times—but it also means we have a side full of fight and spirit."

Coach Mason is satisfied with the way things have gone in the first half of the season—and expects more in the second half of the term.

"We've come on to a good game, playing a lot of good football but still missing a few good chances.

"It's been good watching the young boys come on—players like Martin Henderson, Gordon Boyd, Alex O'Hara, Isaac Farrell, Ian Armour, Richard Sharp and Ian McDougall.

"They are all making good progress. And others like Alistair Dawson and Barry Evans have been given the occasional game to let them know what it's all about."

their winning way with a 4-1 win over Airdrie Reserves at Ibrox. The Colts goal hero was Ian McDougall, who blasted in two first half efforts which effectively ended the Broomfielders' challenge.

In between these goals Eric Morris got his name on the scoresheet with a good shot, which meant the Colts led 3-0 at the interval.

Strangely, with the wind at their backs in the second half, the Reserves fell out of the game a bit, but after Airdrie had scored, 'Gers got on top again and Graham Fyfe added a fine individual goal to end any Broomfield hopes of a fight-back.
